

District Solo & Ensemble Contest Info

Date: Saturday, February 23, 2018

Time: Performances are scheduled throughout the day. A complete listing of PCN entries is included on a separate sheet. Each student should check his/her own performance times!

Location: Western Heights High School – 8201 SW 44th St, OKC

Transportation: Students may ride the bus to and from PCN to Western Heights High School. The bus will load at PCN at 7:00 a.m. With the permission of a parent/guardian, students may also drive to and from the contest site or be driven by an adult. If this option is chosen, students should arrive at Western Heights HS ready to perform at least 45 minutes before their scheduled performance time. This will allow adequate time to warm up and find the performance room. This contest often runs ahead of schedule, so students need to be ready to perform up to 30 minutes early.

When students are finished performing for the day, they may be picked up at Western Heights HS, or they may ride the bus back to PCN. The bus should arrive back at the school around 5:00 p.m.

What to Wear: Performance attire for this contest is the concert choir uniform. Please make sure your uniform is clean, ironed, and ready to wear! For solo & ensemble contest, silver or gold jewelry may be added and hair may be any color.

Audience: Performances at all OSSAA Contests are a formal event, and appropriate concert etiquette is required. Young children are not allowed in the performance rooms, and talking as well as the use of cell phones is prohibited. Adult audience members are allowed in the performance spaces, though some of the rooms are quite small and don't offer enough space for large groups.

Food: Students who will be at Western Heights HS through the lunch hour should either bring their own lunch or bring money to purchase food on site. There will be a concession stand offering pop and snacks, but you may want to bring "real" food as well as water to drink.

Grading: For all students who signed up to attend solo & ensemble contest, this event is a performance grade. Failure to perform will result in a grade of zero as well as a requirement of reimbursing entry fees for the other students in the ensemble(s).
